AGRICULTURAL SHOW - Tulare, California

I monitored the show for Alberta since we had no exhibitors from our Province. I also had discussion with Canadian Consulate personnel regarding success of other Canadian exhibitors.

SCHEDULE "C"

TRADE vs INDUSTRIAL DEVELOPMENT ACTIVITIES

Trade Development Activities are usually conducted separately from Industrial Development activities, since a company which may be a prospective purchaser of an Alberta product usually is not a candidate to encourage to expand into Alberta with added production facilities, a joint venture or license agreement.

However, at Trade Shows, both Industrial Development and Trade promotion are naturally carried on.
